

# Final written exam

Compare with NTNU:  
<http://bit.ly/2wrovN6>

- **F** + E-A with 12% intervals: 40-52-64-76-88-100
- Each question is marked using an equivalent 6 level scale: 0 + 1-5
- Assuming 12 questions, the 12% grading thresholds translate into the following levels: 24-31-38-45-52 (F < 24;  $24 \leq E < 31$ ;  $31 \leq D < 38$ ;  $38 \leq C < 45$ ;  $45 \leq B < 52$ ;  $52 \leq A$ )

# Exam questions

---

- Favor reasoning instead of memorizing
- Include simple (boost self-confidence, provide bottom score), medium (do the bulk of the assessment) and more complex (for A-students) questions
- 10 to 12 questions for 4 hours (24-20 min. on average)
- Reuse Canvas discussions and coursework assignments
- Cover analysis and synthesis tasks

# Exam platform

---

- Exam will take place in Wiseflow
- Drawings can be made on paper (then photographed and uploaded) or directly on computer
